

Urban Living Lab Center Fellowship Programme

Join our Fellowship Program: Empower the Future of E-mobility!

Are you passionate about clean energy and sustainable transport? Do you have expertise in Azure, DevOps, and web development? If so, we invite you to become a part of our exciting fellowship opportunity.

Qualifications:

- Expertise in Azure, DevOps, and web development.
- Strong problem-solving skills.
- Excellent communication and collaboration abilities.
- Passion for sustainable mobility and clean energy.

Position: Fellowship
Duration: 10 months
Location: remote

About the Project:

The emobility.tools platform is a cornerstone in promoting sustainable mobility and electric vehicles. Now, we're taking it to the next level by migrating to UEMI, enhancing its capabilities, and integrating cutting-edge features. The emobility.tools platform is part of our SOLUTIONSplus project.

Application Deadline: 31. August 2023

How to Apply:

If you are ready to make a difference in the world of sustainable mobility, we encourage you to apply for this fellowship. Send your resume and a cover letter detailing your qualifications and motivation to Fellowship. fellowships@livinglab.center

Note: This is a fellowship position, and candidates will be selected based on their qualifications and commitment to the project's goals. We actively encourage women to apply for this position.
